KVK : KVK, Kampasagar
Date : 10.07.2024
Title : Skill training Programme on vegetable nursery raising under Shade net
Venue : KVK Kampasagar, Tripuraram (M), Nalgonda District.

Activity:

The event commenced with scientists and farmers visiting the shadenet facility, followed by Smt. S. Pallavi, SMS (Extension), detailed the process of sowing seedlings in protrays, filling protrays with cocopeat, and shared strategies for increasing monetary returns through vegetable nursery raising and marketing.

Smt. A. Ramulamma, SMS (Entomology), then explained pest and disease management in vegetables, highlighting the major pests in vegetable crops and their effective management techniques. At the end of this program, shade nets were distributed to the tribal farmers of Nellikal village.

Advisories: Scientists advised on shade net cultivation.

Attendance: Nearly 42 farmers attended the programme.

Scientists Involved:

Smt. S. Pallavi, SMS (Extension)

Smt. A. Ramulamma, SMS (Entomology)

Others Involved: Tribal Farmers from Nellikal (V), Tirumalgirisagar (M)
