

# कृषि प्रौद्योगिकी अनुप्रयो अनुसंधान संस्थान AGRICULTURAL TECHNOLOGY APPLICATION RESEARCH INSTITUTE

ICAR-ATARI, ZONE-X, HYDERABAD

**KVK** : KVK, Mamnoor

**Date** : 18.07.2024

**Title** : Field visit and monitoring of (Asset supplied) Chaff Cutter utilisation distributed under SCSP.

**Venue** : Malakpally, Warangal district.

## Activity:

1. Dr Shashank, SMS (Veterinary Medicine) & Dr Sai Kiran SMS ( LPM) visited the SCSP adopted village (Malakpally) and monitored the utilisation of Chaff Cutter which is distributed to the farmers.
  2. Visited the Super napier fodder grass plots and advised to cut the crop at 45-50 days stage, as the farmers are utilising the Chaff cutters and advised to grow other fodder crops in the rainy season
- Scientists involved** :Dr.J.Shashank, SMS. (Veterinary Medicine),Dr.Saikiran, SMS (LPM)
