Brief Report:

The event commenced with the garland to late Sri Paripati Janardhan Reddy by Chief guest, followed by visited ATIC center exhibition stalls India. The. Somanna Honble Minister of state for Jal Shakti and Railways Govt of India. The Chief Guest for this program Sri Somanna, speaking as the Minister of Central Water Resources and Railways, stated that the Central Government initiated the PM Kisan Samman Nidhi scheme in February 2019 in Gorakhpur, Uttar Pradesh, wherein Rs. 6,000 will be directly transferred to the bank accounts of farmers in three installments. Rs 20000 crores transferred to the 9.26 crore farmers bank accounts as 17th installment to the farmers as a part of this scheme, which aims to support small and marginal farmers in agriculture practices.

Dr. Shaik N. Meera Director ATARI-ZONE-X discussed how 80% of small and marginal farmers in our country can benefit financially under this program. Furthermore, emphasizes the importance of farmers utilizing the benefits of the PM-Kisan Scheme. Farmers are encouraged to actively participate in such beneficial programs for the advancement of agriculture. The

Agricultural Science Center is providing valuable scientific advice to farmers to enhance their practices in the agricultural sector.

Dr.N.Venkateshwar Rao briefed the KVK activities, he explained various projects being implemented in KVK like SCSP, NABARD, Natural Farming, CFLD oilseeds and pulses and a Special Project on Cotton.

Others Involved: - Agriculture and allied department Officials, YPs, Input dealers, Farmers from Karimnagar district, Press and Media.
