

Visit to cashew processing unit

Dr. Shaik N Meera, Director, ICAR – ATARI, Hyderabad has also visited a cashew processing unit at medium scale (60 MT procured cashew nuts/year). During interaction with beneficiary SC women and the unit owning women, it was suggested to go for vaccum packing and better branding to improve the marketing of units by this way they can get a net of 300 days wages and thus earns Rs.80,000 per year.
