AGRICULTURAL TECHNOLOGY APPLICATION RESEARCH INSTITUTE

ICAR-ATARI, ZONE-X, HYDERABAD

KVK	: Medak -1, Zaheerabad (DDS)
Date	: 31.07.2023 (Monday)
Title	: “Visit to Nutri Garden (multi cropping system of millets, leafy vegetables & pulses)”
Venue	: Commissionerate, Women Development & Child Welfare Department, Hyderabad
Activity	: Visit to Nutri Garden

Activities:

- Commissioner, WDCWD, Hyderabad approached DDS KVK, for planning a nutri garden.
- Provided layout for multi cropping of millets, pulses & leafy vegetables along with seed material
- Suggested to go with mulching as a trial to conserve moisture and control of weeds, now the crop is in healthy vegetative state.
- Suggested thinning operation.
- If this trial works well, the department is aiming to implement this design at all the anganwadi centres in Telangana

Participants & No: KVK staff.
